ECD 401: Project Phase - I (For Mid Semester Evaluation-I)

Date of Exam: September 12, 2022 (Monday)

Venue/Time: As per schedule attached

Instructions for Project Examination

1. Evaluation will be based on Poster Presentation along with the supporting Hardware, PowerPoint Slides, or Simulation Videos as per the given template.
2. All project groups are supposed to make the poster and print it on Flex of size 2ft × 3ft. Bring your high-resolution printed poster during your project examination.
3. Be sure to include the project title, student names (enrollment number), department, and institute name.
4. Posters should not give a long presentation. Therefore, you are suggested to keep minimum text, emphasize graphics, flow charts, etc., and make sure every item included in your poster is necessary for presenting your work.
5. Your poster should include a brief introduction, problem formulation, motivation, goals, literature survey, experimental detail, conclusions, and references
6. Utilization of handouts, PowerPoint slides, required hardware, coding files, and simulation videos for supplementing the poster will be appreciated and suitably assessed
7. You are expected to be present **at least 45 Minutes** prior to the scheduled time for making necessary arrangements. **Do not paste your poster on the walls.** Paste it on the Table allotted to you. You are expected to bring **adhesive tapes for pasting your poster on the table. Do not use any other material (other adhesives such as fevicol, Fevikwik , etc.)**
